## COMMANDER'S NOTES

Gary Bonesteel  
Detachment  
Commander

Hi Guys

First off let me congratulate you all on the all-time high on membership. We also got an award for retention this year at National convention in Reno. Great Job Iowa.

I haven't changed anything from last year. Soldiers Wish is still my project and "Rising To The Top" is my theme. I am looking forward to working with Commander Mike Etzel and President

Vicki Klinkhammer this year.

I want to welcome all new and returning officers this year. I think we can make this a Spectacular year. It is my goal to get out to more meetings. With all the Vice Commanders positions filled I believe we can make more Squadron meetings.

We will be shooting for the Triple Nickel this year. We chartered Lake Park on September 11. I am looking

to have a Squadron near me starting up soon. We had Squadron 731 in Des Moines get going. All we need is three more I know we can get it done this year.

I am looking forward to seeing you at Fall conference at Department Headquarters on October 29th at 9:00 AM at 720 Lyons St Des Moines IA

Detachment Commander,  
*Gary Bonesteel*

## HELP YOUR POST WITH THESE ACTIVITIES

“NOW I KNOW YOUR SAYING THOSE ARE LEGION PROGRAMS, BUT WE AS SONS CAN ALSO SPONSOR, COORDINATE OR OPERATE ANYONE...”

Have you been to your schools yet to talk about doing a Veterans Day program, seeing if there any boys interested in going to Boys State, or any High School kids interested in earning money for their college career by participating in the High School Oratorical Scholarship program?

Now I know your saying

those are Legion programs, but we as Sons can also sponsor, coordinate or operate anyone of those programs with permission from your Post.

I did forget to mention there is the Junior Shooting Sports Program you can offer, and like the Oratorical program you can involve either boys or girls in the program.

Other than the Veterans Day program, all the other information you can find on the Department of Iowa's website, just look under the Youth Programs tab.

These programs are all amazing ways to get involved in your community and schools and you never know you might change some young persons life.

## UNIFORM CAP ETIQUETTE

The left side (emblem side) of the cap is reserved only for the Legion emblem, city, county, district, or state lettering.

If desired, the following items must be placed on the right side of the cap:

1. Additional lettering, restricted to either the name of a Post or to an officer title, such as Past Commander
2. Cap insignias or badges for past or present officers
3. Consecutive membership insignia, membership stars, and/or authorized Legion or military service decorations.

Names or nicknames of individual members cannot be used on caps.

The Legion uniform cap should be worn by its members only when in attendance at official Legion meetings or ceremonies or as official guests at patriotic or other civil functions or by individuals when officially representing The American Legion on public occasions.

A member is considered to be in uniform if wearing an

official Legion uniform cap. Therefore, it is not proper to wear the cap while eating a meal at an official Legion or civic luncheon or dinner.

The cap should be worn in a place of worship only by the Guard of Honor, Color Guard, and Commander of same while in marching order or standing guard. When returned to and seated in pews, the cap should be removed.

Legion posts marching in formation into a place of worship should uncover at the door, hold the cap with the right hand over the heart until the arrival in the pews and commanded to take seats, remaining uncovered during the entire service. At the close of the service, upon command, the post shall arise, the members holding the cap with the right hand over the heart will march out of the place of worship and recover after marching through the door.

Legion members not in formation will uncover upon entering the place of worship and remain uncovered during the entire service and will recover after leaving the place of worship.

When at a funeral, the cap should be held over the heart as one approaches the casket and is not at any time worn in a place of worship (except by the Guard of Honor, Color Guard, or Commander of same while in marching order or standing guard.) At the graveside, the cap should be held in the right hand over the heart during the entire service. In cold and inclement weather, the cap should not be worn.

In Legion meetings, the cap should be worn except during moments of the Pledge of Allegiance, prayer, and when standing in silent reverence in memory of departed comrades, when the cap should be held with the right hand over the heart.

Any time the cap is placed on a table, it should be placed with the emblem side up.

When the cap is in a clip on a belt, the back of the hat should be in the clip with the emblem side facing out and at the bottom.
